**#SAPBusinessOne**

Post your #SAPBusinessOne Around the World photo and we will donate 1 Euro.

SAP recognizes and embraces its commitment to the communities in which we operate in around the world. That's why for every photo you take and post on social media before December 31st 2016 – we will donate 1 Euro to the building of a SAP Business One kitchen for orphaned children in the Mukono District of Uganda.

**Thank you for helping to make a difference.**
